Notes:

- Caution about the use of data for a program is advisable when the number of graduates is low or the number of "Status Unknown" exceeds 15% of the total graduates.
- Graduates or individuals who know the graduates provided this information, including relatedness of employment to program of study.
- "Related Employment Part-time" includes graduates who reported related employment but did not indicate the number of hours worked per week.
- "Unavailability for Employment" includes graduates who chose not to seek work, were unable to work, or were international students who returned to their homelands.
- "Status Unknown" includes graduates who could not be located or did not respond to requests for information.
- Categories of employment can include some graduates who also reported continuing education but indicated that employment was their preferred classification.
- "Continued Education" can include some graduates who also reported employment but indicated that continued education was their preferred classification.
- Information on graduates who both worked and pursued further education is available in supplemental materials.
- Sums of percentages might not equal total percentages due to rounding.
